

IMPACT WRENCH

RRI-1031

BREAKLOOSE TORQUE: 3.350 NM

This impact wrench by Red Rooster has a superb weight/power ratio. The RRI-1031 is developed for assembly- and disassembly applications. The 3-Jaw impact mechanism gives high energy levels per impact. The tool is suitable for industrial use. The light weight of the tool ensures the perfect handling.

CHARACTERISTICS

- Ergonomic design, well balanced
- Compact and lightweight
- Power adjustable, 3 positions
- Exhaust silenced, through grip
